Re: *Notice of Ex Parte Presentation – Domestic Section 214 Application Filed
for the Transfer of Control of PAETEC Holding Corporation to
Windstream Corporation (WC Docket No. 11-142)*

Dear Ms. Dortch:

This is to notify you that on October 20, 2011, Malena Barzilai, Windstream Corporation (“Windstream”), accompanied by outside counsel Kenneth D. Patrich of Wilkinson Barker Knauer, LLP, and William A. Haas, PAETEC Holding Corporation (“PAETEC”), accompanied by outside counsel Jean L. Kiddoo of Bingham McCutchen LLP (collectively, “Applicants”), met with William Dever, Chief, Competition Policy Division, Wireline Competition Bureau (“WCB”), Lisa Gelb (WCB), Christopher Sova (WCB), Pamela Megna (WCB), and James R. Bird (Office of General Counsel).

At the meeting, WCB staff requested that Applicants identify any buildings in the ILEC-CLEC overlapping markets where Windstream and PAETEC both have Type I last-mile special access facilities and where such buildings do not have at least two other, unaffiliated providers of Type I last-mile special access facilities in the same building. The PAETEC representatives advised the staff of their understanding that PAETEC does not have any Type I last-mile special access facilities that it either owns or operates pursuant to an indefeasible right of use agreement in any of the overlapping wire centers identified in the Application. (PAETEC subsequently confirmed such understanding to the Commission by letter dated October 21, 2011.)
